

Arthur Goatson

SOFTWARE ENGINEER (DATA & INFRASTRUCTURE)

Email: arthur.goatson@example.com Phone: (555) 482-9901 Location: Austin, TX GitHub: github.com/agoatson-dev

Software Engineer with 5 years of professional IT experience building robust data pipelines, containerized backend applications, and business intelligence solutions. Proficient in Python backend development, advanced SQL optimization, Docker container orchestration, and Tableau analytics dashboards.

TECHNICAL COMPETENCIES

Programming & Languages: Python (Flask, FastAPI, Pandas), SQL (PostgreSQL, MySQL)	DevOps & Tools: Docker, Git, GitHub Actions, CI/CD, Linux / Bash
Data & Analytics: Tableau Desktop, ETL Pipelines, Relational Database Design	Practices: Agile/Scrum, Version Control Workflows, Automated Testing

PROFESSIONAL EXPERIENCE

Software Engineer (Data Systems) — Apex Logistics Tech	2021 – Present
- Developed containerized Python microservices using FastAPI and Docker to automate daily ETL data processing for 200k+ tracking events. - Designed and optimized PostgreSQL complex database schemas and indexes, improving query execution speeds by 35%. - Integrated interactive Tableau dashboards with live database feeds to provide real-time operational metrics for executive teams. - Maintained Git version control workflows and automated release deployments using GitHub Actions pipelines.	
Junior Software & IT Analyst — Vanguard Systems Solutions	2019 – 2021
- Wrote custom Python automation scripts to replace manual data entry workflows, saving 12 hours of administrative work weekly. - Authored SQL analytical queries and stored procedures to generate weekly performance reports. - Standardized development environment deployment by introducing Docker Compose across a 6-person team.	

CERTIFICATIONS & CREDENTIALS

1. Docker Certified Associate (DCA) — Mirantis / Docker	Issued Oct 2023
2. Tableau Certified Data Analyst — Tableau / Salesforce	Issued May 2023
3. AWS Certified Developer – Associate — Amazon Web Services	Issued Nov 2022
4. PCEP – Certified Entry-Level Python Programmer — Python Institute	Issued Jan 2020

EDUCATION

B.S. in Computer Information Technology — Texas State University	2015 – 2019
